Dear TCM Customers,

China Books is proud to introduce the quality Traditional Chinese Medicine products of the People’s Medical Publishing House (www.PMPH.com). PMPH has been the leading medical publisher in China since 1953, extensively covering both Western and Chinese medicine with 30,000 titles and a current production of 1,000 new books published annually.

By far the industry leader in China, PMPH will be expanding internationally by offering TCM books, charts and DVD’s in English and other Western languages. As an official PMPH distributor, China Books not only offers the fine products listed here, but stands committed to bringing more quality titles to medical professionals and TCM students across the US and Canada.

¿Habla Español? China Books will be carrying PMPH’s expanding line of Spanish materials, marked with a $ icon.

Please note: All products in this catalog were published by PMPH unless otherwise noted. For more detailed descriptions on our TCM products go to www.chinabooks.com. Please write to info@chinabooks.com for exam copies.

Best of health,

PIGUCI  $39.95

A Clinical Guide to Identifying Chinese Medicinal Herbs
By Yan Wenmei, Beijing University of Chinese Medicine & Li Fanyuan, Chengdu University of TCM
An extremely useful, hands-on guide identifying 417 herbs, accompanied by color photographs and including descriptions of commonly used alternate species. Each herb is identified in Latin, English, and Chinese (pinyin and characters) with its source, properties, flavor, channels entered, actions, and identification given.
2006 – 8 ¼ x 11 ¼
ISBN: 9787117087049  Pages: 492
CLGUID  $99.95
In the Footsteps of the Yellow Emperor
Tracing the History of Traditional Acupuncture
By Peter Eckman, M.D.
Originally published in 1996 to great acclaim, this updated paperback edition offers a fascinating and highly readable account of one doctor’s personal and professional quest to explore the healing traditions of Asia. Its rich historical lineage, and subsequent transmission to contemporary Europe and North America makes this a must-have book in the healing arts for all practitioners and general interest readers.
Long River Press, 2007 – 6 x 9
ISBN: 978117080606 Pages: 278
FOYEM $18.95

The Clinical Practice of Chinese Medicine
This well-organized and comprehensive series of books guides the reader through the complexity of clinical practice. These books discuss, in detail, the clinical experience of ancient and modern-day renowned physicians and enable the practitioner to become more adept at using Chinese medicine in the diagnosis and treatment of common diseases. For more titles in this series, please see www.chinabooks.com.

Pelvic Inflammatory Disease and Miscarriage
By Huang Jian-lin & Liang Xue-fang, Guangzhou University of Chinese Medicine
2007 – 7 x 10
ISBN: 9787117080606 Pages: 328
PEINDI $29.95

Urticaria
By Lu Chuan-jian & Chen Da-can, Guangzhou University of Chinese Medicine
2007 – 6 x 9
ISBN: 9787117085335 Pages: 294

Eczema & Atopic Dermatitis
By Lu Chuan-jian & Chen Da-can, Guangzhou University of Chinese Medicine
2006 – 7 ½ x 10 ½
ECATDE $29.95

Qian Bo-xuan’s Case Studies in Gynecology
Compiled by Xiyuan Hospital, Chinese Academy of Chinese Medicine
A firsthand account of Qian Bo-xuan’s clinical experience in gynecology including 84 case studies of 25 different disease types in four disease categories: menstrual, obstetrical, postpartum and miscellaneous gynecological disorders.
2006 – 7 x 10 Hardcover
ISBN: 9787117080316 Pages: 570
QIBOCA $59.95

Secondary Channels and Collaterals
By Wang Qi-cai, Hebei College of TCM
Although much has been written about the 12 regular channels (95% of modern acupuncture texts concentrate solely on these) and their place in the diagnosis and treatment of disease, little has been written about the secondary systems of channels and collaterals. Professor Wang’s book, complete with case studies and commentaries in which he explains the theory behind each treatment and why it was successful, helps fill that void.
2006 – 7 x 10 Hardcover
ISBN: 9787117080668 Pages: 648
SECHCO $59.95

visit us on line at www.chinabooks.com
An Illustrated Atlas of the Commonly Used Chinese Materia Medica (3 vol.)
By Qian Xin-zhong, Beijing University of Chinese Medicine
Combines 555 Chinese medicinal herbs with scientific descriptions of the medicines’ source plant, mineral or animal. Each herb is accompanied with a description created by an expert faculty member from Beijing University of Chinese Medicine, which includes area of cultivation, preparation, pharmacological properties, suggested dosages and an intricate illustration that makes this book a beautiful and rare collector’s item.
2007 – 8 ½ x 12 Casebound
ISBN: 9787117092579, 9787117092654, 9787117092647 Pages: 1,436
ILATCO $499.95

Chinese Style Foot Massage for Common Illnesses
By Wang Fu-chun, Changchun TCM University
With over 794 illustrations, this “hands-on” guide addresses 33 common diseases that can be cured through foot massage. Details 15 manipulation techniques, provides helpful advice for diet and exercise and takes you step-by-step through information rarely shown about foot massage. This is not just a way to learn more about an ancient practice, but a manual with practical methods for every day usage.
2007 – 8 x 11
ISBN: 9787117090926 Pages: 254
CHSTFO $29.95

How Can Chinese Medicine Help My Diabetes?
By Li Xiao-li & Carl Stimson, Beijing University of Chinese Medicine
TCM has been practiced on diabetes patients for thousands of years and yet, nearly 177 million people worldwide suffer from this disease. If you’re curious about TCM for the treatment of diabetes, this guide is a perfect introduction to the resources out there. Filled with full-color photo illustrations, topics range from prevention through diet, exercise, acupuncture, herbs, tui na massage and more.
2007 – 7 x 8
ISBN: 9787117091190 Pages: 168
HOCACH $17.95

Anatomical Illustration of Acupuncture Points
By Guo Chang-qing, Ph.D., Beijing University of Chinese Medicine
With full-photos and illustrations, this extensive text book provides precise location points for an accurate practice of acupuncture. Widely used in China, this is the first time a book this complete and of high quality has been published in English. Contains historical origins of practice as well as modern methods.
2007 - 8 ½ x 11 ½ Hardcover
ISBN: 9787117089906 Pages: 568
ANILAC $99.95
Atlas of Tongue Diagnosis for AIDS Patients
By Peng Bo & Xie Shiping

In TCM, the tongue is the external reflection, or mirror, of the zang and fu organs, revealing the real condition of patients. It plays a significant part in the evaluation of all disease conditions, choosing treatment direction and prognosis. This book presents the typical sorts of tongue manifestations and many variations in more than 700 patients with AIDS and HIV, including examples of patients with opportunistic diseases.

2006 – 7 ½ x 10 ½ Hardcover
ISBN: 9787117080422 Pages: 398
ATTODI $65.95

Tongue Diagnosis for Warm Diseases
By Zhang Zhi-wen & Liu Bi-qing

Filled with over 150 pictures and essays that provide summary of characteristics, indications and treatment principles of the tongue’s appearance in warm diseases.

2006 – 5 ¼ x 8 ½
ISBN: 9787117080194 Pages: 158
TODIWA $29.95

Mirror of Health
Tongue Diagnosis in Chinese Medicine
By Fei Zhaofu & Gu Yidi, Shanghai University of TCM

Illustrates 34 tongue conditions with detailed descriptions, diagnosis and treatment and patient guidelines for lifestyle approaches to improved health. Includes patient history case studies, with dramatically different before and after photographs. The appendices contain comparative graphs of syndromes, tongue signs and the medicines indicated, as well as a reference sheet of formula ingredients.

2006 – 7 x 10
ISBN: 9787117085960 Pages: 216
MIHETO $39.95

Alleviating the Side Effects of Cancer Treatment (2nd Edition)
By Zhang Dai-zhao, Beijing University of Chinese Medicine

How to use modern diagnostic methods and Chinese medical treatment to address the problem of cancer patients plagued by the undesirable, and often unbearable, adverse effects of radiation therapy, chemotherapy and other treatment modalities. There are few books on this subject available on the market, which makes this an invaluable resource for all clinicians who are involved in the management of cancer.

2006 – 7 x 10 Hardcover
ISBN: 9787117087025 Pages: 542
ALSIEF $59.95

The Chinese-English Medical Dictionary
Over 150,000 copies sold since 1978. Now completely revised, this second edition, with more than 160,000 entries (60,000 new additions since the first edition), has added many useful features including Latin terms for Chinese herbs, medical technology, and new medical specialties.

2006 – 7 ½ x 10 ½ Hardcover
ISBN: 9787117080460 Pages: 1,960
CEMEDI $127.95

**Return Policy:** Authorization is required for all return items. Please refer to www.chinabooks.com or contact our customer service department 1-800-818-2017 for details. Individuals must make claim for exchange or refund within 14 days of receipt.

**Fees and Handling:**

UPS Ground is the preferred shipping method unless requested otherwise. Typically, items shipped UPS Ground will arrive between 2-7 business days. All orders are shipped from South San Francisco. For international orders, please contact our customer service for specific shipping needs.

To save money on shipping, order online at www.chinabooks.com which has accurate shipping calculations based on weight. UPS does not deliver to PO Boxes or to Hawaii and Alaska (except special rates.)
